

HEIRS OF MARY BULLOCK.

[To accompany Bill H. R. No. 549.]

MARCH 30, 1860

Mr. J. M. LEACH, from the Committee on Revolutionary Pensions,
made the following

REPORT.

The Committee on Revolutionary Pensions, to whom was referred the petition of the heirs of Mary Bullock, of Georgia, widow of Daniel Bullock, deceased, ask leave to report :

That it appears from the evidence filed that Mary Bullock, of Georgia, was married to Daniel Bullock, in North Carolina, on the 14th day of June, 1777 ; that subsequently to said marriage the said Daniel Bullock was draughted into the militia service for nine months, and marched northward to Philadelphia and New York. That he entered the service in the company commanded by Captain Quinn, in Colonel Hogan's regiment. That he remained in the service about one year. The fact of marriage before the service is abundantly proved, and, in addition to the evidence of the witnesses as to his service, (one of whom, John Ford, served with him,) there is record evidence from the comptroller of North Carolina of about one year's service.

Daniel Bullock died in the month of January, 1821, leaving the said Mary Bullock, his widow, who also died on the 29th day of May, 1845, never having again married. That the said widow, Mary Bullock, applied on the 11th day of March, 1843, for a widow's pension, under act of 4th July, 1836, at the Pension office, and that her application was rejected.

That the said Mary Bullock, at her death, left several children her surviving, and also a number of grandchildren of her said husband and herself.

That letters of administration, in due form of law, were issued out of the honorable the court of ordinary for the county of Bibb, in the State of Georgia, on the sixth day of June, 1853, to Robert S. Lanier, esq.

Your committee are of the opinion that the heirs of the said Daniel and Mary Bullock are entitled to a pension, and herewith report a bill.
